## MORE BLOOD SPILLED.

Five Men Killed Yesterday at the Bay View Iron Works, Near Milwaukee.

Socialists Leaders Arrested in Chicago—Dynamite Found in a Newspaper Office.

Impossible to Obtain an Accurate List of the Killed and Wounded in Tuesday Night's Riot.

AFTER THE RIOT.

CHICAGO, ILL., May 5.—The list of casualties from last night's riot so far as can be learned from the police, is as follows: One socialist leader, two officers dead, four other officers who will not survive and three more police who have wounds, many of the most serious character. In addition to this probably fifty people, nearly all members of the socialist crowd, or citizens of the vicinity, were shot or otherwise wounded. The compilation of a detailed list is made almost impossible, the confusion and excitement being so great and the attention of the officers and police is so taken up with the care of the injured. A great number of these were taken to different hospitals and private houses, so that it may be a day before the full extent of the horror can be brought to light.

### CLOTHING DEPARTMENT.

An overwhelming stock to select from, where all styles and grades are represented and offered at prices that can't be duplicated in Texas.

Neat, substantial, well-fitting suits are offered as low as \$5.00.

For \$7.50 we show ten different styles, considered a bargain at \$10 by others.

We show twenty different styles at \$10.00, in 1, 2, 3 and 4 button cutaways.

Our \$12.50 suits are noted for high grade material and fine workmanship.

### Boys' Clothing Department.

Our Boys' Clothing Department is a household word with the parents and guardians of Fort Worth, the result of always carrying the largest stock and offering them for the least money.

Boys' knee pants suits, \$2.00.

Boys' long pants suits, \$4.00.

Boys' separate knee pants, \$5.00 to \$2.00.

Boys' separate long pants, \$1.00 to 2.50.

Spies, Fielding and Parsons have been arrested. The police searched for the three men all night, but did not succeed in finding them until after 8 o'clock this morning. All three were found in a closed room in the office of the Arbeiter-Zeitung, a socialist newspaper. They were in consultation with officers came upon them. They exhibited alarm, but made no resistance. They were taken quickly to the central police station, kept closely guarded and no one permitted to see them. It is not known what charge has been made against them, or what is the exact policy the city authorities intend to pursue. The entire police force is on duty to day, and its members are apparently in first-class condition, notwithstanding the fatigue of yesterday.

As far as known, between the socialists and police are as follows:

John J. Barrett, three gun-shot wounds, one in left breast, one in right arm, one in foot.

Officer JOSEPH M. DEKON, wounded in the thigh by the explosion of a bomb, the artery being severed.

Officer TOM REDDIN, shot in the breast, reported dying.

Officer MICHAEL SHERMAN, LANCEKOR MURPHY, CHARLES MILLER, FRANK JOHNSON, CITIZEN T. NOLAN.

Among the rioters killed were two, names unknown, who were taken to the Desplaines street station, and a large number of others who were carried from the field by friends. The exact number will probably never be known. About a dozen wounded rioters are being cared for at the hospitals. About forty-five or sixty and twelve citizens were more or less seriously wounded.

Another great strike was inaugurated this morning. The 1700 men employed in the Deering Harvester works stopped work without having made any demands. The company have asked for police protection.

### ALBUQUERQUE.

Two Embellishment Suits to be Tried.

Special to the Gazette.

ALBUQUERQUE, N. M., May 5.—Court is now in session, Judge Brinker presiding. There is nothing very important either on the civil or criminal dockets. The only cases that will be watched with interest are, first, the United States vs. Thomas Hughes, for alleged embellishment while postmaster of \$1200, and W. K. P. Wilson, who absconded while cashier of the Albuquerque National bank with about \$8000. Both are embellishment cases, and as the accused parties are among Albuquerque's best citizens considerable interest will be manifested when the cases are called. Mr. Hughes is alleged to have robbed Uncle Sam, is editor of the Albuquerque Journal and is a gentleman possessed of many fine qualities. He entertains no fear of conviction.

### A FAMILY FEUD.

May Day Festivities Marred by an Assassination.

Special to the Gazette.

HEMSTED, TEX., May 5.—To-day at about 1 o'clock in the pavilion grounds at the Hemsted's May day celebration James H. Farr, editor of the Waller County Courier, was shot and killed by Jim Cloud, his brother-in-law. No immediate cause for the killing had been ascertained. There were hundreds of ladies and children present. Much regret is expressed at the untimely occurrence. The festivities were entirely suspended and nearly every one went home. Farr was well and favorably known in this county. A mob is expected to-night.

Mr. H. H. Boon, candidate for congress, was here and was to have made a speech, but did not.

### AMERICAN MEDICAL ASSOCIATION.

St. Louis, Mo., May 5.—The American Medical Association held the second session of its annual convention to-day. The Rush monument committee reported that they had selected an enlarged committee of one member from each state and territory, to secure contributions to the fund with which to erect a monument to Dr. B. and arrested a man in the office who, upon being searched, produced a large revolver and dirk knife. He was arrested. In the office were discovered several boxes of
